

# Resident Faculty Program

The Resident Faculty Program (RFP) offers a unique opportunity to those living in UC Berkeley housing to connect with faculty members outside the classroom.

On average we host 40 events per academic year and 2160 residents attend

24% of residents attended an RF event in the 2022-2023 academic year

In 2019, residents in a focus group indicated their preference for a blend of **academic** and **leisurely activities** leading us to adapt our programs accordingly.

## Past Events Include:

- Academic resource fair
- Faculty lectures
- Hiking
- Karaoke
- Movie nights
